ALBUM 73

Linda,

Well to start off with, I'm very glad I met ya, cause I just don't know where I would be now! At the moment I don't have very much to say cause my fucken tooth is killing the fuck out of me! It's almost coming out though! (Espnally) It's been so much fun just knowing, ya know. Sometimes we have those little quarrels, but I know one thing, we always make up that very same day or the very next morning. Well sorry to let you go so soon, but I wanna get this tooth out!

(P.S. To a best friend I ever had) Love ya & friends always

Susan

Dear Mom,

I'm sorry if you
didn't have no friends
back then but to make you
feel better I can give you one of
my friends that I don't want anymore
like DOLLY.

Well gotta go now but I'll talk to you
later in life.

K.-
love ya
Bye

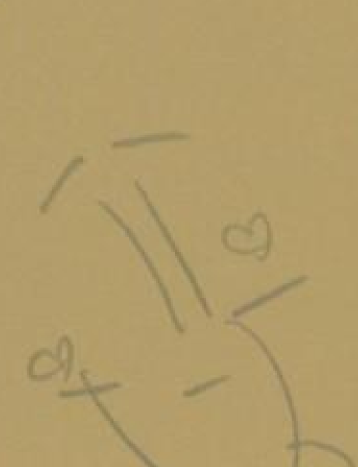

My
angel
baby

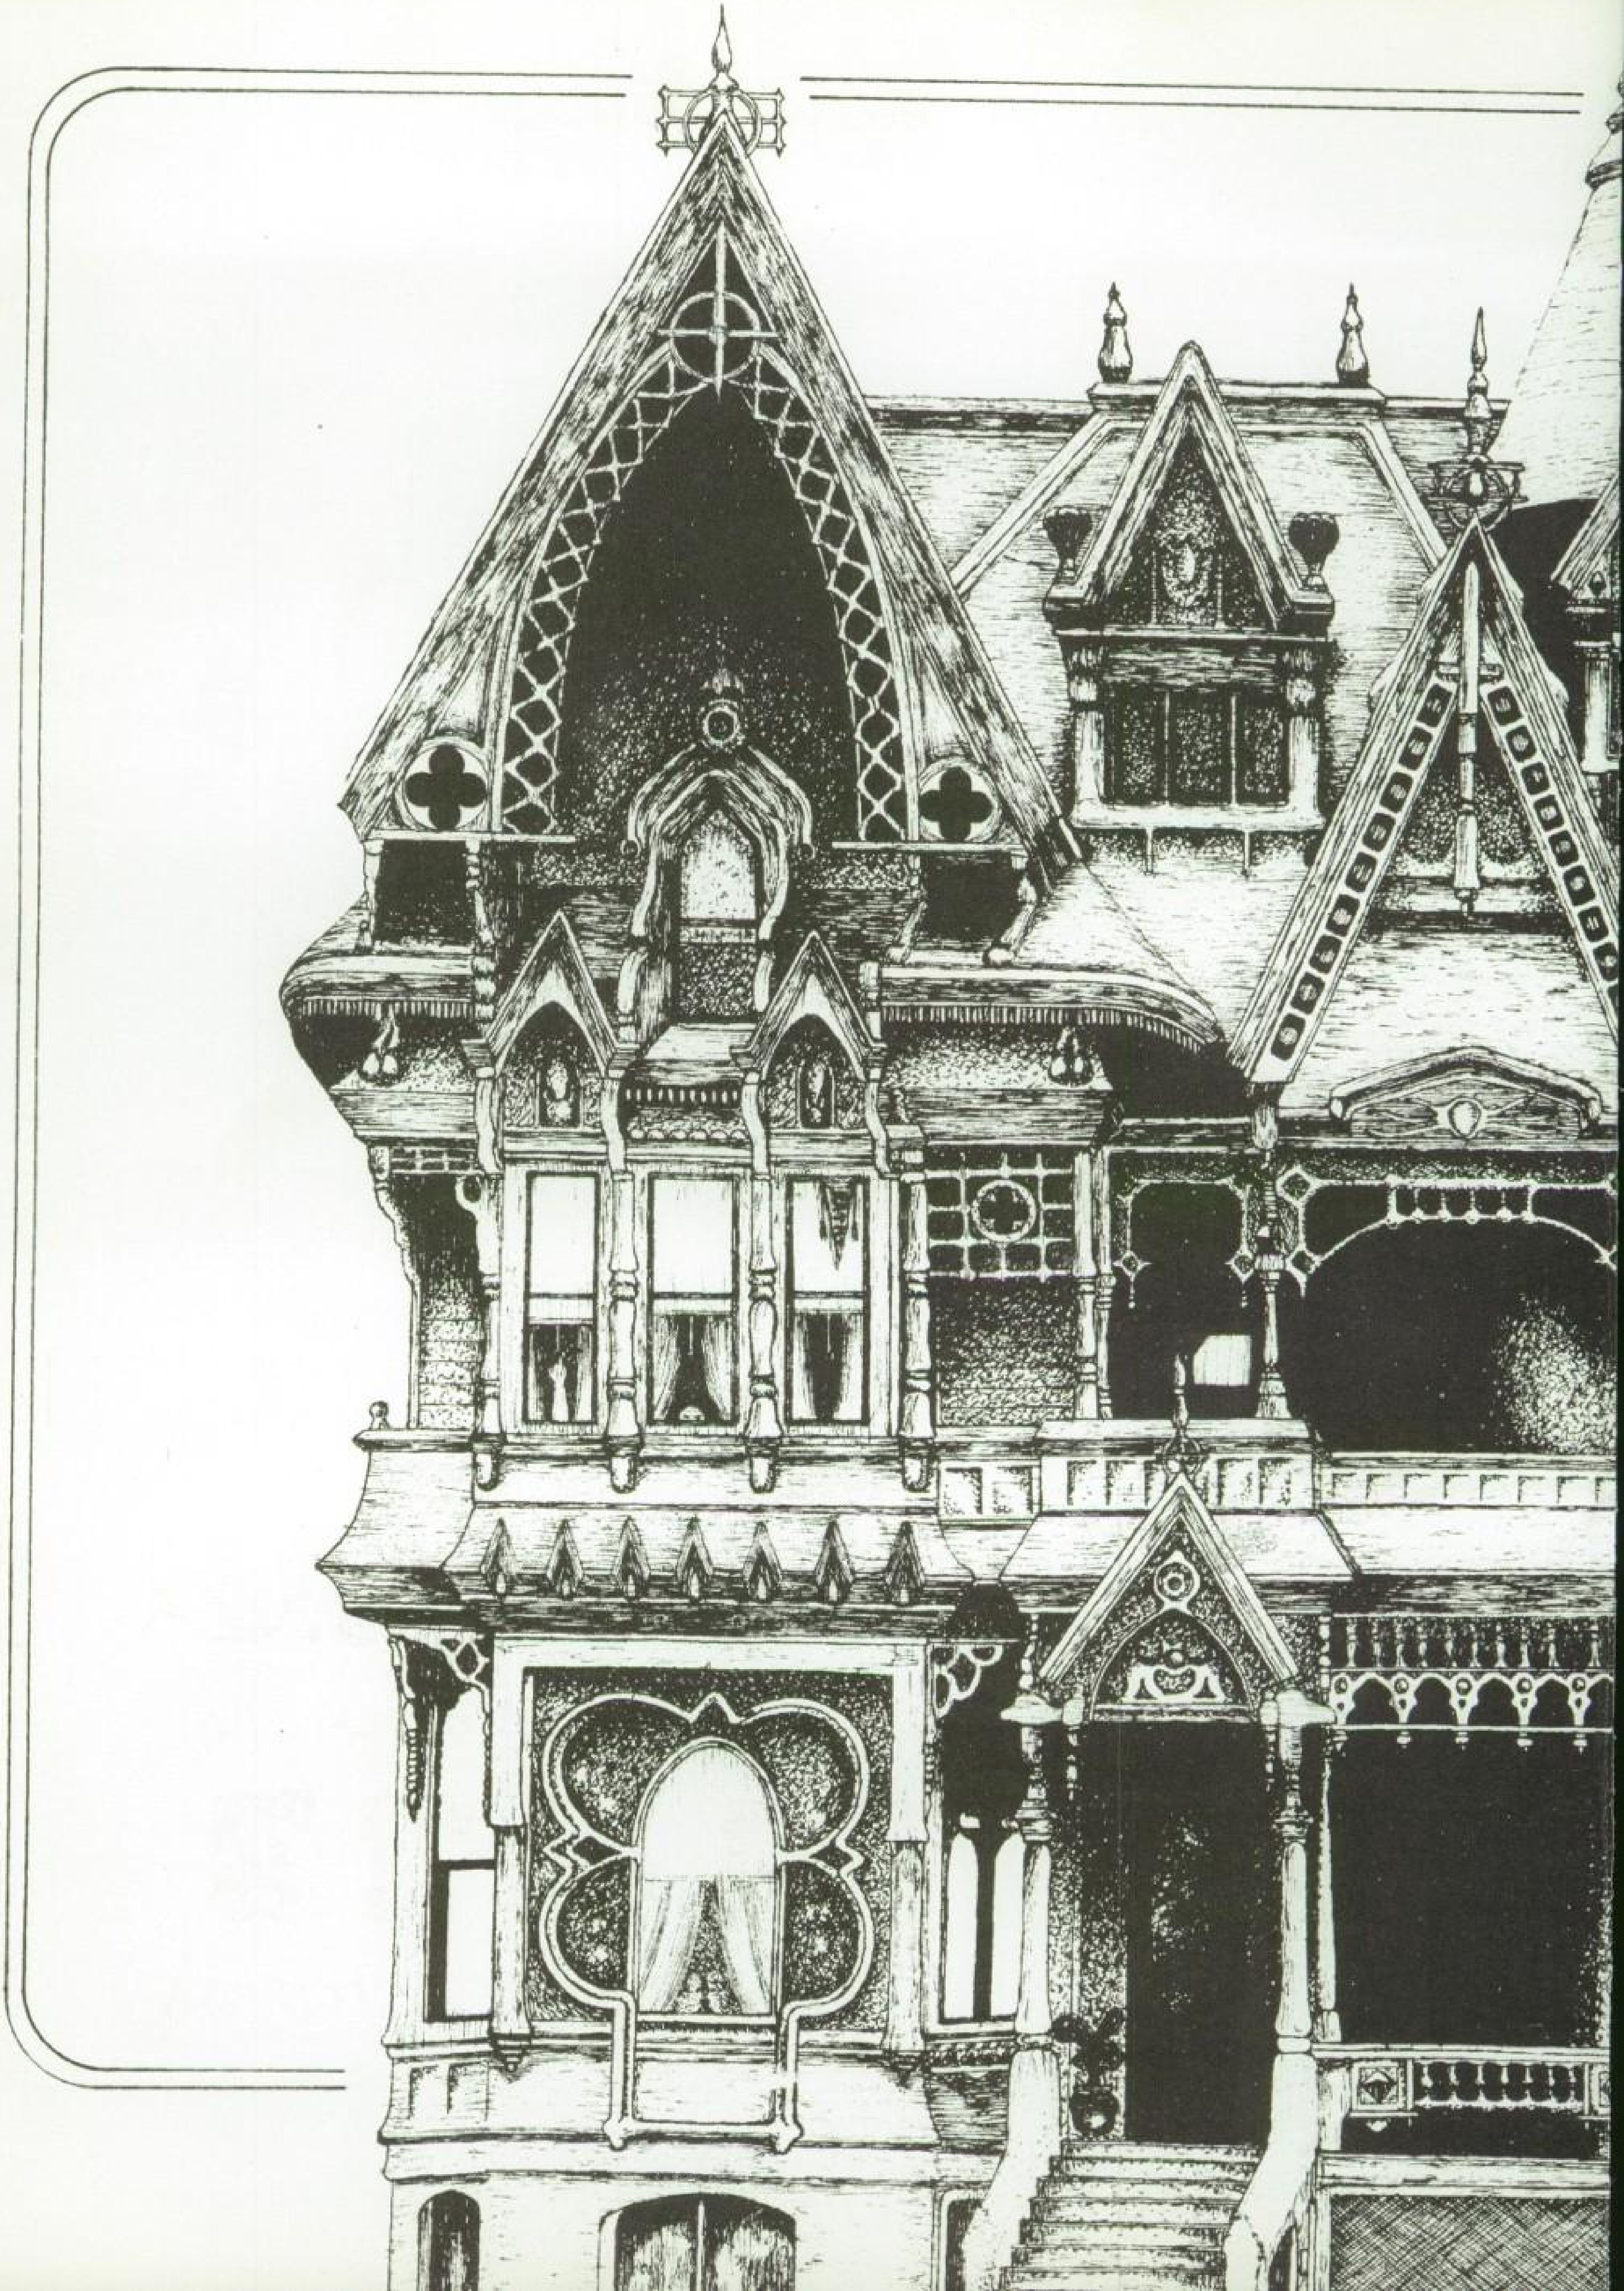

always

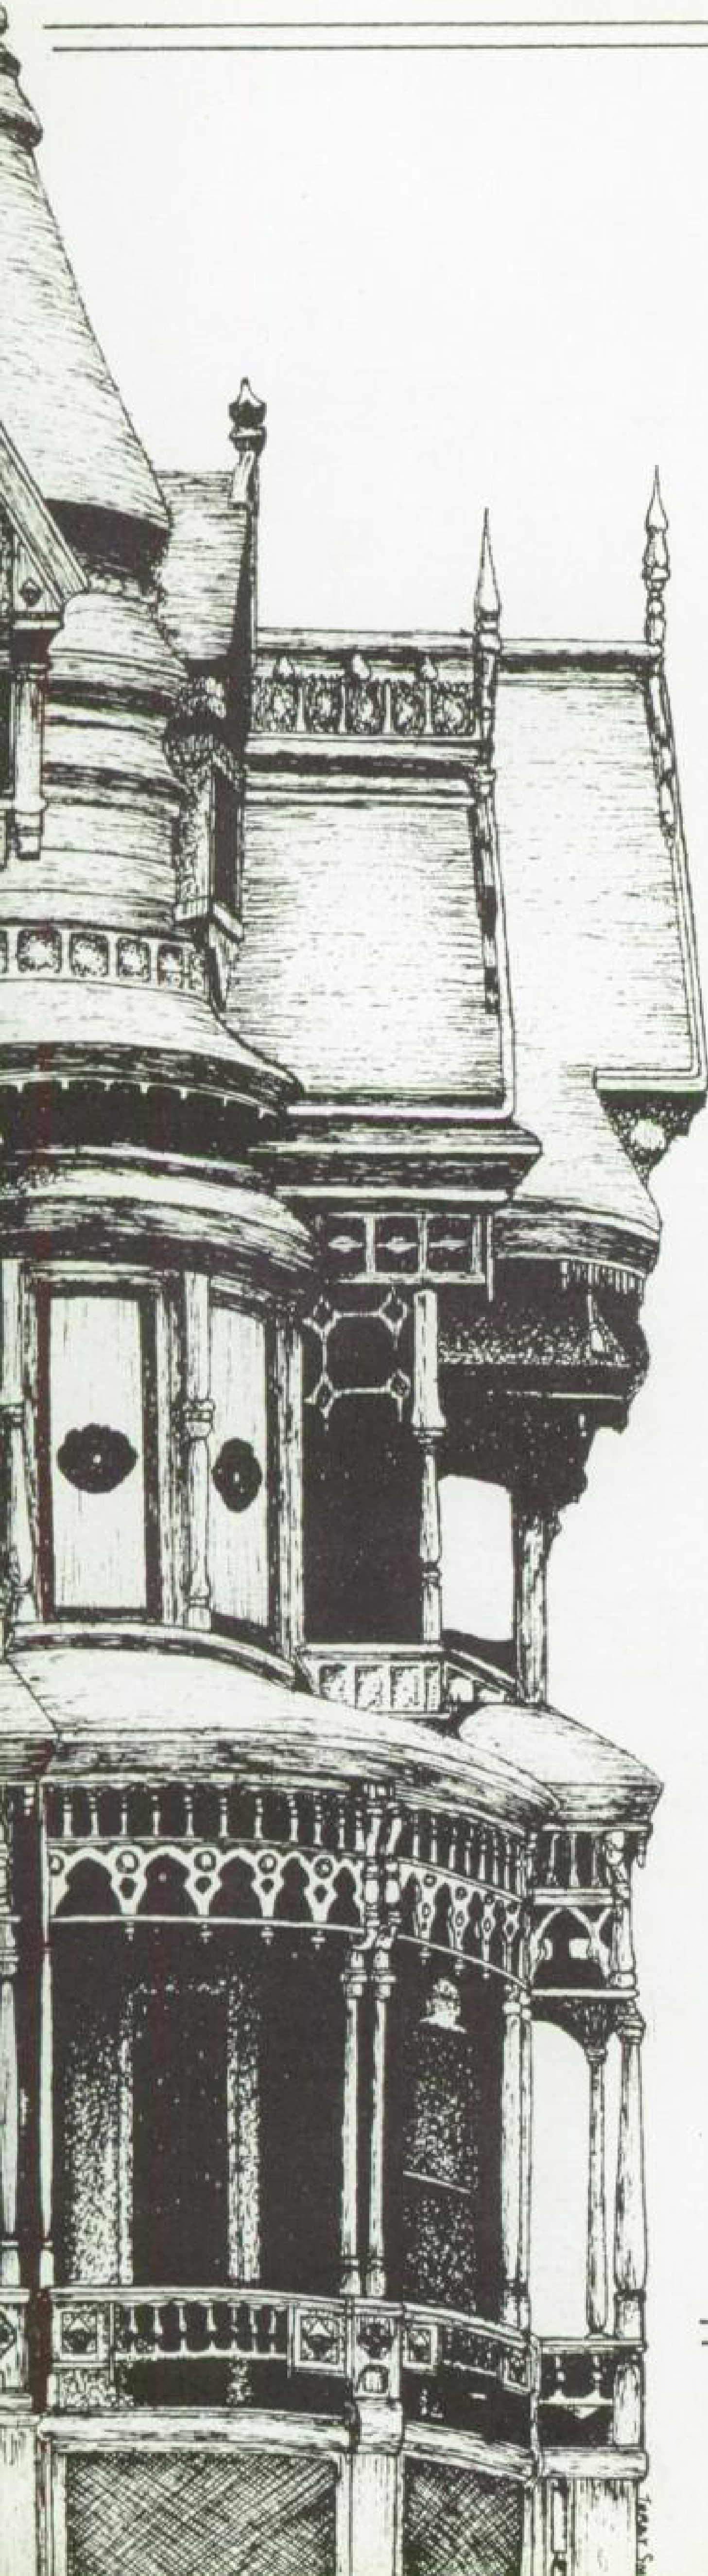

Brittany -
Babe

P.S. -
(Happy Mother's
Day!)

"Kloro" Aristotype Printing Paper.

24525 The best Gélatine Printing Out Paper on the market, and at prices far below those at which other papers are sold. We want this paper to be in the hands of every Photographer, amateur and professional in the country. Every *professional*, not acquainted with the merits of Kloro, who will send us his printed card and letter, head and two 2 cent stamps for postage, with a request that we give him a sample of Kloro, will be supplied with a trial package of the paper, cabinet size, free of charge. It is a reliable paper and will print with brilliant high lights, giving silky half-tones and rich transparent shadows. Can be used with combined or separate toning baths, and suitable for strong or soft negatives. Kloro Paper neither cracks, curls nor blisters. A finished Kloro print is durable and not easily scratched and marred. A perfect substitute for albumen paper
